

COMPANY PROFILE

Established in March 2009, **Straits Navigations** provides a one-stop solution for the maritime industry. Under the arm of the globally renowned Legero International Group, we have a network of offices around the world's major shipping lanes, with a core operation based in Singapore.

Straits Navigations comes into existence to provide support for the maritime industry especially in the field of shipping with a philosophy to reduce the operating cost and expenses for Ship Owners & Charterers during vessel port call into Singapore.

We firmly believe this can be achieved with our in depth understanding of the operation process and constraints faced by Ship Owners & Charterers.

Fronted by an experienced and dedicated team, we extend our services for all shipping needs and compliances with sheer professionalism and a great sense of duty.

Our strength not only lies in our experience but also in the close relationships we have established with the local immigration, customs and the maritime & port authorities.

From vessel arrival to safe departure, the team is capable and well-versed to handle and assist Ship Owners & Charterers in all aspect of shipping documentations that are required by the Port Authority of Singapore.

We are available round-the-clock to assist Ship Owners & Charterers be it for general enquiries or emergency assistance during vessel distress anytime.

We value our client relationships highly and their interests are always in our hearts.
